**Director Rob Edwards Joins Management Resource Services, LLC.  
(MRS)**

Baltimore, MD—December 10, 2009 – MRS, a facilities and document management company, is pleased to announce that Rob Edwards has joined our team as the Director of Business Development.

“We are excited to have Rob join our dynamic team,” said Steve Linsenmeyer, president and CEO of MRS. “His facilities management background, combined with his operational management and business development experience, is a welcome supplement to our firm. His addition enables us to further develop one of the region’s premier facilities and document management firms into a significant powerhouse by continuing to build and deliver customized, comprehensive solutions tailored to fit each of our client’s distinct needs.”

"I am very excited about joining this great firm," said Edwards. "MRS is known for its client centric approach to facilities and document management, and I am honored to be a part of the firm’s sustained growth."

Before working with MRS, Edwards has been in the facilities and document management services for fifteen years with extensive experience servicing legal, education, association, financial, corporate and federal government clients. He earned his BA from Holy Cross College and MBA from Hood College.

Management ReSource Services’ goal is to increase efficiency and improve profitability while focusing on providing a high level of service. For further information contact Steve Linsenmeyer at 410-242-7356 ext. 115 or e-mail at [stevell@mailstreamolutions.com](mailto:stevell@mailstreamolutions.com).
