Management ReSource Services, LLC (MRS) acquires Balmar Services, Inc., reaching further into the Mid-Atlantic region.

Baltimore, MD—December 2009 – MRS, a facilities and document management company, has acquired Balmar Services, Inc.

The acquisition represents MRS' commitment to provide service value in the Mail and Document Process Outsourcing Services (Facility Management) marketplace. "This acquisition represents a key move in our strategy to provide more comprehensive facilities management services for our clients," said Steve Linsenmeyer, President and CEO of MRS. "By facilitating internal growth, expanding our current resources and increasing our capabilities, we are able to provide increased efficiency and improve profitability for all of our clients."

MRS vision began with a desire to provide comprehensive mail and document related outsourcing services. MRS focuses on building and delivering customized, comprehensive solutions tailored to fit each client's distinct needs. Building solutions from the ground-up ensures each client is suited with the best possible solutions for their unique operation and needs.

MRS partners with each individual client to determine their specific needs and create a uniquely customize solution. MRS solutions are truly flexible, offering a unique, equipment neutral approach providing each client with objective advice, that empowers them to select the best equipment and solutions, designed for each specific client.

Management ReSource Services' goal is to increase efficiency and improve profitability while focusing on providing a high level of service.
